CRSS PRE-CONFERENCE SYMPOSIUM

Know What is Happening on Your Watch: Using Data to Increase Student Achievement and Operational Efficiency

The Center for Reform of School Systems (CRSS) will offer a ½-day symposium, **Raising Student Achievement: What Works for Schools and What Works for School Boards?** on Wednesday, October 7. As education leaders, you are faced with important decisions that may -- **or may not** -- make a difference in the academic performance of your schools. So what does make a difference? What does the research say about what works for schools and for school boards when it comes to raising student achievement? With all new curriculum and activities, the symposium, led by CRSS President and CEO Cathy Mincberg, will delve deeply into these things and more.

Individual board members, district administrators, and district teams are encouraged to participate. **Registration is \$85.** Visit www.crss.org or call Faith Edwards at 713-682-9888 for more information.
