Baltimore City Schools: Student Wholeness Goal

More Students feel connected and supported at their School.

Subgoal: Mental Health

In SY26-27, 95% of students that need mental health or emotional support say it is very easy/easy for them to get support at their school or be connected to appropriate resources.
The student Wellness Support Team (SWST) was created to address:

• Increased Mental Health and Social Emotional Needs of students post pandemic

• The Impact of National Shortages of Mental Health Clinicians
Student Wellness Support Team (SWST)

*The Student Wellness Support Team (SWST)* is a robust team of subject matter experts that work in collaboration to support all students, families, and the entire school community to create a safe space for learning, wellness, health and safety.

*The Goal:* to provide comprehensive social-emotional supports and a safe space to help students succeed in the learning environment.

- Google Classroom
Ms. Hike serves as the Community School Coordinator at CHEMS. Her role includes student academic achievement. Assisting families in accessing social services such as food assistance, healthcare and mental health. While promoting family engagement through the our Organized Parent Group and Student Family Community Council.

Mr. Paul Grant, Staff Associate, has been at the Historic Cherry Hill Elementary since 2021. He's served in public schools for over 24 years as a Physical and Health Educator, Special Educator, and Dean of students. Paul Grant strongly believes that all children can learn and can achieve anything if they stay focused.

Ms. Becker is the School Social Worker and the 504 Chair. This is her 6th year at the Historic Cherry Hill Elementary Middle School and her 31st year working as a licensed clinical social worker. Ms. Becker's specializations include the counseling of children, teens and families in the areas of ADHD, trauma, and grief. She provides counseling and resources to CHEMS students and families.

Mr. Wheeler is the Student Wholeness Specialist at CHEMS. This is the start of his 3rd school year here at CHEMS. His training in SEL and restorative practice has allowed him to help create a safe and welcoming environment for both staff and students. Nothing is more important to him than individuals feeling as if they have a voice. “Be the change that you want to see.”

Our student wellness support team is made up of a diverse team of school-based specialists. The goal of this team is to provide support to CHEMS students, families, and staff in a variety of ways.

Ms. Moulton earned her master’s degree in counseling from Lincoln University. Ms. Moulton has years of experience working with adults and children in settings such as schools, outpatient mental health clinics, inpatient hospitals, and correctional facilities.

Wesley Jamison is the Director at MissionFit Inc, leading movement, exercise, and health skills for youth in Baltimore.
Sample Introductory Video
Lessons Learned
SWST Next Steps

1. Create SharePoint site for SWT’s to share resources and best practices
2. Develop cross-departmental professional development to emphasize expectations for teams and schools
3. Develop methods for collecting ongoing feedback
