

Broward County Public Schools – 5000 Role Models of Excellence Project

Broward County Public Schools is proud to bring 5000 Role Models of Excellence Project to Broward County Public Schools. 5000 Role Models of Excellence Project is a dropout prevention mentoring program started by Congresswoman Fredrica Wilson. This mentoring program targets young men and boys who will benefit from male role models. The goal is to intervene in the lives of at-risk boys and steer them away from negative influences and provide them with as many positive influences as possible. The program kicked off in December of 2017 with 300 boys and 100 male mentors. The request from men in the community who want to get involved has been endless. This is the most successful mentoring initiative we have had in terms of recruiting male mentors.
