Future Ready Certification Care Package

Module 3: Access and Equity

Big Idea: Using Universal Design for Learning (UDL) as an instructional methodology to ensure all students are able to access the curriculum by eliminating barriers to learning.

In Module 3 the following resources were provided:

Synchronous

- Shelley Moore: Transforming Inclusive Education
  https://youtu.be/RYtUlU8MjlY
- The Center for Applied Special Technology (CAST)
  http://www.cast.org/

- The UDL Guidelines http://udlguidelines.cast.org/

- Engagement in Blended Learning
  - Utilize the feature in Schoology to give individualized assignments to students Video demo here.
  - Teach students how to use a choice board to manage effort and sustain learning for the week. Samples here.
  - Provide feedback via chats, discussion boards, and badge recognitions for job a well done. Sample here

- Engagement Options
  - Schoology - Individual assignments https://bit.ly/36jRvaQ
  - Choice Board https://bit.ly/2XlwHeW
  - Badge making https://bit.ly/2WWayoN
