CITY OF BOSTON • MASSACHUSETTS

OFFICE OF THE MAYOR

Michael Casserly
Executive Director
Council of Great City Schools
1301 Pennsylvania Avenue, N.W., Suite 702
Washington, DC 20004

Dear Michael:

The Boston Public Schools and the City of Boston would enthusiastically welcome the opportunity to serve as the host city and school district for the 2024 annual conference of the Council of Great City Schools.

As the home of the nation's first public school district, Boston and the Boston Public Schools offer a rich history of change and progress over time. With a freshly developed strategic plan, unprecedented new education investments from Mayor Walsh and passage of the Student Opportunity Act, Massachusetts' historic new funding and accountability law, Boston Public Schools are poised to make significant progress to ensure all of our students have access to high quality schools and an excellent education that prepares them for success in college, career and life.

From the walkable, history-rich streets of downtown Boston to the booming tech industry, Boston provides a unique opportunity to experience the old and new together. This summer, Boston will serve as the host city for the NAACP's 2020 convention, an event that is estimated to attract 10,000 attendees. The event's planners selected us as the host city not only because of the impactful history of being home to the NAACP's oldest branch, but because of Boston's international reputation as a visitor destination, its rich historical significance, and recent innovations that make our city even more welcoming to visitors.

Hosting the 2024 annual conference in Boston would be an honor. We are confident that the Boston Public Schools and our entire community will make the event a memorable and meaningful experience for conference attendees.

Please feel free to contact us with any questions you may have about our candidacy. We appreciate your consideration and look forward to hearing from you soon.

Sincerely,

Martin J. Walsh

Executive Director
Council of Great City Schools

Dear Michael,

On behalf of the Greater Boston Convention & Visitors Bureau, I want to express how honored we would be to once again host the Council of Great City Schools Annual Conference in the fall of 2024. When we last hosted this event, in 2011, the meeting enjoyed record-breaking attendance. We would be thrilled to welcome the Conference back to Boston during a period when we will be commemorating the 250th anniversary of the American Revolution, and the catalytic events in Boston that ushered in the Revolutionary Era. Educational programming is at the core of how we will mark these important anniversaries.

The fall in Boston is simply spectacular. Our historic parks and urban green spaces pop in myriad hues as our famous foliage takes over the city. Our history and heritage invite exploration, our diverse neighborhoods offer vibrant culture and delicious restaurants, our sports and performing arts calendars begin to heat up, and our iconic museums introduce exciting new exhibitions.

Boston is a walking city where visitors can bask in 4 centuries of history while easily strolling from neighborhood to neighborhood. And Boston is still making history. We are a city of innovation, where institutions of higher education interact with world-class research hospitals, start-up incubators, and life sciences clusters to drive an ecosystem of collaboration and discovery. This buzz of innovation, and these guideposts of the future, are most palpable in Boston's emerging Seaport District, where fun nightlife, great restaurants, and eclectic art galleries exist alongside engines of economic development.

We hope that you will consider returning to Boston for the 2024 Annual Conference of the Council of Great City Schools. We take very seriously our role in this nation's past and future, and education plays a central role in that story. We are very excited about this possibility and look forward to hearing from you. Please don't hesitate to contact me at msheridan@bostonusa.com with any additional questions or follow-up information you may need.

Sincerely,

Martha J. Sheridan
