- Providing leadership and clear direction to members of the departments in the operations office.
- Overseeing transportation, facilities maintenance, nutrition services and security activities to ensure efficient and effective functioning of the district.
- Ensuring that all activities of the operations office conform to district policies, regulations and procedures and are compliant with state and federal laws and regulations.
- Initiating consistent standard operating procedures and policies.
- Communicating effectively with all members of the district and community by preparing various reports to inform students, staff & constituents of the district’s operational performance.
- Promoting income generating opportunities for the district through relationships with other school districts, related entities, and business and community agencies.
- Contributing to a culture of collaboration by working interdepartmentally with JPS Central Office leaders.
- Creating opportunities for central office staff to act in service to schools, thus ensuring alignment of district resources with school needs.
- Performing other related duties as requested or assigned.
Key Competencies

The ideal candidate will demonstrate the following:

- Holds self and others accountable for helping all students reach their full potential.
- Engages stakeholders in actualizing a clear and compelling vision.
- Demonstrates knowledge of and complies with federal and state regulations.
- Communicates effectively, altering messages to reflect understanding of audience and context.
- Works collaboratively with diverse stakeholders at all levels (i.e. district staff, students, families, funders, community partners, etc.).
- Leads development of solutions to seemingly intractable problems.
- Demonstrates critical thinking skills and the ability to analyze data, identify trends, and diagnose root causes.
- Demonstrates excellent project management skills, including balancing long-range goals with close attention to detail, and ability to manage multiple projects under tight deadlines.
- Continuously monitors progress and demonstrates persistence to overcome obstacles and achieve goals.

Required Training & Experience

- Minimum of ten (10) years’ experience in business/operations management and/or business ownership; with experience in operations and operational related functions that significantly include, but not limited to: facilities & grounds maintenance, construction trades, transportation, technology and nutrition services.
- Evidence of improving conditions and efficiencies in previous work settings.
