The Manager III, Special Education Program & Services is accountable for improving student achievement for Special Education Students and the effective management of an assigned area; plan, organize, control, and direct the special education programs of the district to provide students and families a variety of high quality learning options to ensure that each child obtains maximum benefit from the educational programs; work collaboratively with the Divisions of Curriculum and Instruction and School Support Services to develop effective instructional programs to meet the unique needs of individual students; supervise and evaluate the performance of assigned personnel and provide clear constructive feedback to improve staff effectiveness.

Requirement:

- Any combination equivalent to: bachelor's degree and three years experience providing direct services to students with special needs including one year experience in a special education environment.

- Valid California credential authorizing teaching or service in special education.

- Valid Administrative Services Credential.
