Other information:

Holm Elementary School provides a caring community where children are valued. Presently we serve students from Early Childhood Education through fifth grade. Our curriculum focuses on literacy instruction, which includes daily reading of high quality literature, small group and individual instruction and specific skills development. There is also a school-wide math instructional program with a curricular emphasis on concepts, rather than just computational strategies. We support second language learners in all grades. Our diverse curriculum includes vocal music, visual arts, physical education, and a Resource Teacher to support gifted and talented education.

About Denver Public Schools:

Denver Public Schools is committed to meeting the educational needs of every student with great schools in every neighborhood. Our goal is to provide every child in Denver with rigorous, enriching educational opportunities from preschool through high school graduation. DPS is comprised of nearly 200 schools including traditional, magnet, charter and alternative pathways schools, with an enrollment of more than 90,000 students.

Under the leadership of Superintendent Susana Cordova and guided by the tenets of The Denver Plan, DPS has become the fastest-growing school district in the country in terms of enrollment and the fastest-growing large school district in the state in terms of student academic growth.
