Every day, students walk through the doors of Baltimore’s schools filled with talent, dreams, and enormous potential.

Our responsibility is to provide the world-class education that will empower them to hone their gifts and develop the skills they need to pursue the future that calls them.

[BALTIMORE CITY PUBLIC SCHOOLS](#)’ NEW BLUEPRINT lays out how we will move toward our goal of building a generation of young people with the skills, knowledge, and understanding to succeed in college, careers, and community — not just here in Baltimore, but in any city in the world.

Beginning in the 2017-18 school year, we pursued a comprehensive approach designed to ensure that all students have access to high-performing schools that meet their needs and interests, no matter where they live in the city. We will turn a deep focus to work in [three key areas](#):

- [Student wholeness](#)
- [Literacy](#)
- [Staff leadership](#)

These areas are intertwined: If students are motivated and excited about learning, have the foundational skills to think critically, analyze deeply, and express themselves powerfully, and have adults around them who encourage them to persist and excel, they will be positioned to move steadily toward high school graduation and postsecondary success.
