

Systems Analyst II - Learning Management Support

Functioning at a proficient level of technical expertise, documents, analyses, organizes, maintains, allocates and supervises the information resources of the school system. As part of the Learning Management Support team, collaborates with classroom teachers, computer lab managers, and central office personnel to plan for appropriate technology integration strategies for both students and staff. Continually assesses staff needs and plans for and provides professional development opportunities on both a school based and system-wide level. Works with district offices to create online training assets and course material that supports job embedded professional development. Evaluates instructional resources and plans for and conducts demonstration lessons that utilize these resources and showcases "best practices" strategies.

Essential Functions

- Develops eLearning solutions for professional development using specific software application (Articulate, Camtasia Studio, Snagit, Adobe, and Audacity).
- Provides school-based staff and administrative departments(s) with the personal support, tools, and training needed for a meaningful integration of technology into classrooms to improve student learning and into work environments to improve productivity.
- Ability to develop online course modules in accordance to technology style guide
- Provides support and assistance and/or administrative department(s) with the development and implementation of new technology initiatives and makes recommendations for optimal solutions within technical/cost/schedule objectives.
- Maintains a proficient technical knowledge of applicable City Schools application program, database, operating system, customer data retrieval process, or network configuration.
- Participates in the training programs offered to increase technical, interpersonal and communication skills and proficiency related to the projects to which assigned.
- Utilizes tact and exercises good judgement in interacting with the general public, school and central office personnel.
- Performs and promotes all activities in compliance with equal employment and nondiscrimination policies; follows federal laws, state laws, school board policies and professional standards.
