Join Our Team at Smith High School!

Are you passionate about education, innovation, and student success? We’re excited to announce an incredible opportunity for a Principal at Smith High School!

About Us:

- **Smith High School** is a vibrant and diverse educational community, serving over 1200 students from forty-four different countries.
- Our commitment to excellence, safety, and holistic student development sets us apart.
- As an International Baccalaureate (IB) school, we foster a global perspective and encourage critical thinking.
- Our mission is to provide a place of excellence where all students can achieve their full potential in a safe, rigorous, academic environment.

- **Smith Signature Career Academy (SCA): Advanced Manufacturing and Engineering** offers Project Lead the Way Engineering courses and SREB Integrated Productions (Manufacturing) in grades 9-12; we’re committed to industry relevance!
- Students can earn industry-recognized OSHA and LabView Associate Developer credentials.
- Exciting news: We’re adding four Certified Production Technician (CPT) credentials in Manufacturing (Safety, Maintenance, Quality and Measurement, and Processes and Production).
- A $2 million SCA renovation is underway, transforming 12,500 square feet into a modern, industry-inspired space. Think upgraded furnishings, cutting-edge technology, and a collaborative atmosphere.

The Role: Principal

- You’ll collaborate with the principals and leadership teams of Foust K-5 and Jackson Middle School to implement the Toyota Driving Possibilities program.
- This exciting initiative, backed by a $1M investment, focuses on strengthening and integrating K-12 STEM/CTE/STEAM pathways. You’ll empower teachers and students to thrive in a dynamic learning environment.

Why Join Us?

- Be part of a school that celebrates diversity and embraces cultural richness.
• Shape the future of education by fostering creativity, critical thinking, and global awareness.
• Make a difference in the lives of students as they prepare for success in the 21st century.
