The reality is that we can do better for kids, and we will with the right leaders in place. The most successful candidates believe that more is possible for Memphis and are:

- **Courageous Thinkers & Doers**: Prepared to navigate and thrive in a complex and ambiguous environment on day one, present innovative ideas to address systemwide issues, and execute sustainable plans toward transformation.
- **Solutions-Oriented**: See the possibilities, demonstrate the capacity to synthesize information and adjust short and long-term goals, and consistently find a window when doors close to deliver measurable results for kids and families.
- **High-Performing Gamechangers**: Leader of leaders with the capacity to mobilize and empower an outstanding team, make people-centered data-informed decisions, and operate with a relentless hyperfocus on removing stubborn barriers that destroy the hopes and dreams of too many of our students.
