SY14 KCPS OSS
Expulsions in 2014-15 Eliminated

2013-2014 there were
5 EXPULSIONS.

2014-2015 there have been
NO EXPULSIONS!!
MOC Data vs. District Data
KCPS MOC performed with or outperformed for both Reading and Math at every grade level.
MOC Average Daily Attendance (ADA) closely shadows the KCPS as a whole in grades Kindergarten through six. Over two years of analysis, the average difference in ADA between MOC and the KCPS in grades K to 6th is 0.2%.

The largest difference between MOC ADA and the KCPS occurs in grades seven through nine, with MOC ADA ranging from 1.0% to 1.4% below the KCPS average.

Once MOC reach the tenth grade their attendance realigns with the overall KCPS ADA, with differences ranging from 0.2% to 1.0% over the last two years.
The KCPS has targeted inclusion in the A+ Program as an important resource to promote graduates’ participation in higher education.

MOC participation has more than doubled since SY13.
Professional Development Strategies
Argumentative Literacy
Curriculum and Professional Development Support for MOC

• UMKC Cohort for Culturally Responsive Pedagogy
• Cohort for Year 1 has eight teachers enrolled and 31 interested in Cohort 2.
• Book Study by the Curriculum, Instruction and Professional Development Staff in May to provide a Culturally Responsive curriculum.
